Hi my name is Omar Hosny AbdElmotaleb and I am a self taught developer and very good artist, I am a software developer with python/Angular, I can react and php or more but I prefer angular/python, team worker I prefer git cli, I am very flexible person, I can Front-end, Back-end, Webscrap, Web-spider including attacks, Web crawling, RESTAPIs, WEBAPIs, Scripting, some network with socket, DataBaseControllers meaning any CRUD application on any OS, Even if the task is unknown to me it's just a matter of hour and I will work on it, So that's it, Thank you for reading

## Work Experience

January 2023 - May 2023	<b>Dolibarr Developer</b> Gate IT Services	New Damietta, Elsaheeda Elgded
I worked as a dolibarr module Developer, And made a lot of RESTAPIs as well, They also wanted some Front-end so I learned Angular from there.		
May 2023 - October 2023	<b>Software Developer</b> Prickly	Damietta, In The Middle Of Matari
They had a lack of employees there, So they hired me as a software developer, I made some websites using Django, DRF and Angular, I made a lot of scripts there, And I learned react there. It was a fun time.
